About Us

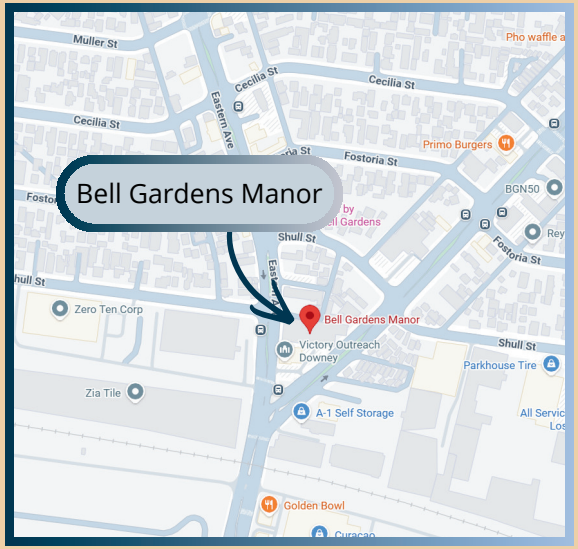

A Place to Feel at Home

Bell Gardens Manor is a licensed Adult Residential Facility (ARF), dedicated to providing a welcoming, supportive place to call home. Through comfortable accommodations, nutritious meals, engaging activities, and compassionate assistance, we help residents feel secure, connected, and cared for.

We also welcome eligible residents receiving services through the Department of Mental Health (DMH), offering a residential environment that promotes stability, dignity, and quality of life.

A welcoming community where every resident is treated with dignity, compassion, and respect.
